**Best Practice during the session 2016-17**

## **Practice-I**

**Title of the Practice: Tree Plantation Programme**

### **Objective of the Practice**

The main Objective of the Practice was to provide eco-friendly environment in premises and pollution free campus. The NSS Unit organised the Tree Plantation Programme in every year. Tree Plantation helps to provide the Green landscaping in huge area of our premises. It also beneficial for pollution free campus.

### **The Context:**

As many students learning in the college premises, fresh air is needed for Good health. It definitely helpful for better environment in our college premises.

### **The Practice**

- Tree Plantation Programme undertaken by the NSS Department every year during the monsoon season.
- Various types of big and small plants planted in different area.
- In 2016-17 the total expenditure about the Tree plantation programme was Rs 2000/-.
- The Tree plantation needs regular care for watering of plants.

### **Evidence of success:**

There are hundreds of big and large Neem, Ashoka, Banyan trees etc., are growing well in our premises. Many flower plants spreads colours and pleasant fragrances, it makes very beautiful scenes in our premises.

### **Problems encountered and Resource required:**

In Summer season due to sunny days' plants needs more water to survive therefore the ground water pumps arranged for watering the plants and trees.

## **Practice-II**

### **Title of the Practice: Women Empowerment Programme**

#### **Objectives of the Practice:**

- To develop a spirit of gender sensitization.
- To empower physical and emotional strength among girls.
- To make aware the girl students about their civic rights.
- To develop self-esteem and self-confidence among girls.
- To develop qualities among girl students like the sense of culture, ethics, morality, and social responsibilities.

#### **The Context:**

There is no chance for the welfare of society unless the condition of the women is improved. Injustice, gender bias, and inequalities cannot be removed without women empowerment. Women cannot enjoy their rights, freedom, security, and protection in life if they are not empowered. Women need to be provided equal opportunities for the betterment of women and society. Women empowerment through education will act as a powerful tool against exploitation and harassment faced by women.

#### **The Practice:**

Our College has a large number of girl students. There are about 46% girl students who study in our college. We undertake different empowerment programmes for girl students throughout the year. Some of those are as follows.

- **Human Rights Programme:** Human Rights Programme was organized by our college. Through this Programme, we make our students aware of human rights.
- **Self-defence workshop for women:** A self-defence workshop was organized specially for girl students for developing physical strength for self-protection.
- **Women's Cell:** We undertake different women-oriented programs through our women cell such as Women's legal rights awareness, hygiene campaign, social awareness about gender discrimination
- **Legal awareness of women:** College organized this programme to make girl students aware of their legal rights. A total of 60 female students attended this programme. .

#### **Evidence of Success:**

These activities have a very positive effect on the girl students. Programs such as Human Rights Programme, a Self-defence workshop, Legal awareness programme for women, etc help in developing physical, personal, social, and professional skills needed for girl students. Our strength of girls students have increased.
