Best Practices during the session 2022-23

Practice-I

1. Title of the Practice: Blood Donation Camp

2. Objective of the Practice

- A. To provide donating blood to the needy in time.
- B. B. To provide information about the Blood Groups and importance of Blood Donation.
- C. To inculcate the feeling of helping others to save life with their precious drops of blood.

3. The Context

Blood Donation Camp organized by the NSS Department on 20th March 2023 in collaboration with Dr. Shankarrao Chavan Government Medical College & Hospital, Vishnupuri, Nanded. The college provides all facilities such as blood group testing room, blood donating rooms as per the medical standards. The Camp is addressed by the Female Doctors and other subject experts to make the students to understand the information about the blood groups and importance of blood donation.

4. The Practice

- 1. On the occasion of International Women's Day blood donation camp is undertaken by the unit of NSS.
- 2. Around 20 bags of Blood collected every year.
- 3. For the year 2022-23, total 18 blood bags were collected.
- 4. Total expenditure for the above programme was Rs. 5,284/-.

5. The female Doctors and subject experts guides girl students and encourage them to donate blood.

5. Evidence of success

Every year near about 20 bags of blood collected. College Staffs as well as students also participated in the Blood Donation Camp. Whenever the blood required to person, the blood bank supplies blood timely to that needy person.

6. Problems encountered and Resource required

As per the World Health Organisation, Southeast Asia estimated blood requirement is about 16 million units per year but only 9.4 million units every year. Everyone should donate blood time to time and help the nation.

Practice-II

2. Title of the Practice: Clean India Programme

2. Objective of the Practice

The main Objective of the Practice to keep the clean our college campus. The NSS Unit is organised Clean India Programme in every year basis on various occasions such as Saint Gadge Baba Anniversary, Republic day, Independence day, Marathwada Mukti Sangram day etc. This programme provide awareness among students about cleanliness practice and they taught to treat environment as their friend. The main aim of this practice is to aware the students regarding the conservation of nature and our responsibility to keep clean and save environment. It also beneficial for plastic free campus.

3. The Context

In the recent time, is being rapidly destroyed by the man made things. Therefore, it is immensely important to clean our environment and make plastic free campus to preserve the nature in all possible ways. As many students learning in college premises, this is humble attempt to aware the student about the importance of nature through cleanliness practice.

4. The Practice

1. Cleanliness Programme undertaken by the NSS Department every year on various occasions such as Saint Gadge Baba Anniversary, Hutatma Govindrao Pansare Anniversary Marathwada Mukti Sangram day etc.
2. Various kinds of useless materials and green waste clean every year.
3. In 2022-23 the total expenditure about the Clean India Programme was Rs. 780/-.

4. It keeps college campus clean and plastic free on regular basis.

5. Evidence of success

All the waste materials from trees and plants keep on clean regularly, therefore it makes our College premises more clean and beautiful. Due to that our premises becomes plastic free and finally it will help us to become healthier.

6. Problems encountered and Resource required:

In Summer season, plants and big trees destroyed and organic waste increased it needs more work to clean our campus therefore more efforts needs to clean all huge amount of organic waste. Therefore, institution gives more necessary tools for clean India programme.
